

The Pacelli Village Project

June 2021

Electronic Pledge Form

<https://olctk.regfox.com/pacelli-village-campaign-pledge>

Why Now?

- Current playground is 30 years old, in disrepair, and poses a liability to the school/parish.
- Playfield doesn't have proper drainage and is generally unusable.
- Kids are often forced to have recess on blacktop parking lot in high traffic areas. Multiple injuries take place from falls on the blacktop surface each year.
- Old learning trailer is no longer being used, beginning to rot and will need to be removed.
- Current area offers limited outdoor learning options.
- Current outdoor play area is not appealing to prospective families and students.
- We've talked about this project for over 10 years...now is the time to make it a reality!!!

Current State - Playground

Installed in 1991 (30 years ago)

Current State - Playfield

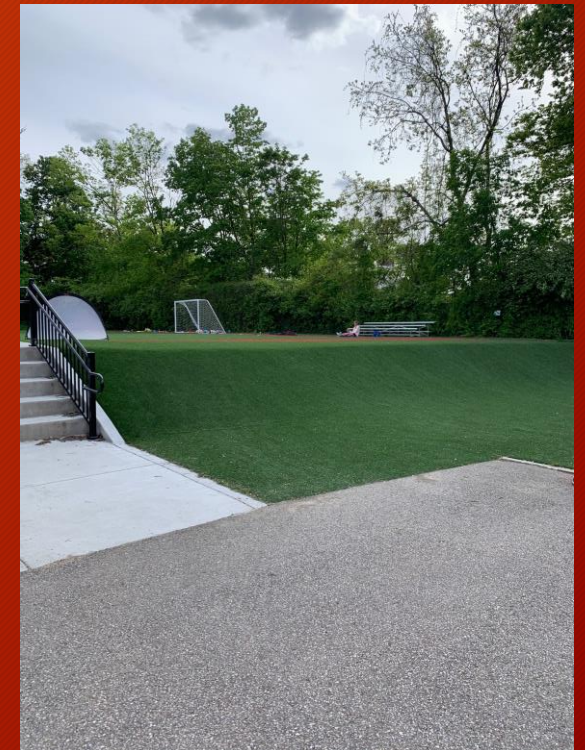

Current State - Parking Lot (playground)

Students play among parked cars and in active traffic pattern.

What we should have...

Kilgour Elementary Playfield & Playground (installed in 2019)

The Pacelli Village

SITE PLAN ENLARGEMENT

- A** HALF-COURT BASKETBALL (2) WITH PAINTED MURAL

Donor Recognition Concepts

Donation Tiers

Orange	< \$1,000
Panther	\$1,000 - \$5,000
Crest	\$5,000 - \$15,000
Crown	\$15,000 - \$50,000
King	\$50,000+

Donor plaque will be installed recognizing those who have contributed to the project.

Multi-year pledges accepted for donations greater than \$1,000.

Common Questions

- **Will we lose parking?** *No, we will actually gain parking because the barrier between the parking lot and playground will be removeable.*
- **What about Junefest?** *We will still have the ability to program events on the turf lawn, but the configuration of Junefest will be modified.*
- **Security?** *We are taking into consideration how the space will be monitored to deter damage to the new features.*
- **How much will the project cost?** *We are anticipating the project will cost approximately \$700,000 (including maintenance fund). We will know more once we finalize the plan and receive quotes from the contractors. Should we exceed our fundraising goal, we will look to further enhance the Pacelli campus.*
- **When will the project be completed?** *We plan to begin the project once we have 100% of the funding committed and seek approval from the Archdiocese. Our goal is to begin work in Fall of 2021.*
- **Can contributions be pledged over time?** *Yes, we can support multi-year pledges.*
- **Where can I pledge my support?** *Support the effort by completing our ePledge Form below.*
